

**Dear Valued Customers,**

**We have made the very hard decision to temporarily close our Lifeline stores in order to help stop the spread of COVID-19.**

**Our priority is the health and safety of our team members, volunteers and the people in our community. While the Lifeline Crisis Support Centre continues to run, we need to ensure the health of our community is maintained so we have made the tough decision to close.**

**We are dedicated in helping support people in need and our Lifeline stores will be operational again to help our community rebuild when it is safe to do so. We will continue to take the advice from Queensland Health and Australian Government officials.**

**Please take care of yourself during these hard times. If you are struggling and need help call Lifeline 13 11 14.**
